Dear Sir/ Ma'am,

Syria is witnessing a large-scale reconstruction phase that includes infrastructure and all sectors on the one hand, and on the other hand, preparations are underway to hold Re-build Syria Exhibition 2023 in its 8th edition, organized by Al-Bashek Establishment for Trading & Fairs which has more than 25 experience in this field.

We are pleased to invite you to participate in Re-build Syria Exhibition 2023 as one of the major international exhibitions in the Middle East that brings together specialists and organizations from various sectors including governmental, non-governmental, private and international ones under one roof.

Re-build Syria Exhibition 2023 will be held from the 27th of Sep to the 1st of Oct, 2023 on Damascus Fairgrounds/ Damascus-Syria, to cover all profiles related to building materials, heavy and light equipment and supplies, stones and their equipment, information technology, automation, renewable energy sources and other related categories from agriculture, industry and healthcare sectors.

Re-build Syria Exhibition 2023 will help you find new business opportunities in professional B2B environment, and it will help you build a network of professional contacts to boost your local and international business.

We are looking forward to establishing cooperation and business relationship with you.

Kindest regards

Alaa mnjjed
