Dear Chairman,

Hopefully, this email finds you well.

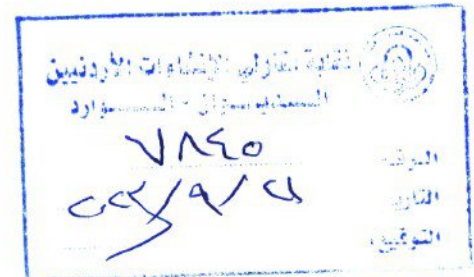

Trade Development Authority of Pakistan is organising the 3rd edition of the Engineering and Healthcare Show from 18th - 20th January, 2024. The 1st and the 2nd edition were held in February 2022 and 2023 respectively. Both editions proved to be a massive success. More than 300 international delegates attended each event and several deals and MoUs were materialised.

In the coming/ subject edition, the following products will be displayed: Agriculture Machinery, Construction Materials (Glass, Iron & Steel, Cables, etc), Plastics, Chemicals, Minerals, Marble, Furniture, Safety Equipment, Cosmetics, Surgical instruments, Sports goods, Handicrafts, Pharmaceuticals, Automobiles and Spare parts, Electric Appliances, Mobile Phones, and Packaging Materials. Besides this, an Investment Conference during the event will also be organised. The official site of the exhibition is :<https://ehcs.tdap.gov.pk/>. A brochure is also attached for your kind perusal.

The interested companies/ parties, of your good chamber, can register themselves at <https://ehcs.tdap.gov.pk/online-application-form-2/>.  
Best regards,
