Build Expo Greece 2025: Sustainable Visions in Solid Foundations

Build Expo Greece 2025, one of Europe's premier international exhibitions for the construction, infrastructure, and building materials sectors, returns at the strategic crossroads of Europe, Asia, and Africa. Between **October 9 and 12 2025**, at **Metropolitan Expo in Athens, Greece**, international partnerships become the focus.

Attracting thousands of trade visitors each year from **more than 40 countries**, from developers and architects to contractors, suppliers, and government decision-makers, Build Expo Greece is the ideal destination for every professional.

☒ Meet over 300 leading exhibiting companies from Greece and abroad, **spanning four** exhibition halls

- ✓ Explore innovative products, cutting-edge materials, and smart building technologies
- ✓ Attend expert-led conferences on sustainable construction, and real estate development
- ✓ Network with key stakeholders from Europe, the Balkans, the Middle East, and North Africa

Build smarter. Grow stronger. Connect globally.

📍 **9–12 of October 2025 | Metropolitan Expo – Athens, Greece**
